

## Anytime Give Program

### Purpose

The Sherman County Community Foundation has initiated a funding project called the Anytime Give Program to assist nonprofit groups in Sherman County with community project funding. While our nonprofit organizations are ultimately responsible for their own fund-raising events, the Foundation would like to encourage community projects by increasing the financing of those projects.

### Eligibility

This program is available for all nonprofit organizations whose agent of record resides in Sherman County, Nebraska and is filed with the United States of America Internal Revenue Service as a tax-exempt organization (e.g., 501(c)3 tax-exempt status). **The grant application deadline is March 31, 2021. The Foundation will review the applications and notify the successful applicants by April 30, 2021. All project fundraising activities must be completed by November 30, 2021, and all matching funds will be distributed by the Foundation's treasurer by December 31, 2021.**

### Funding

The Foundation will match the dollars raised by each successful nonprofit project up to a maximum amount, which will be stated in the Foundation's award notification. The maximum match will be determined solely by the Foundation.

### Description of Program

A nonprofit organization may participate in the Anytime Give Program for matching funds simply by completing a short application which provides the date(s) of the fund-raising event and the purpose/description of the project for which the money will be raised. The successful applicant is responsible for all aspects of its event and project. **The fundraising activity can not have been completed prior to the application submission deadline. Upon completion of the fundraising activity, the organization must submit a statement of funds raised with a copy of a dated bank deposit slip(s) to the Foundation by November 30, 2020. IMPORTANT: The organization must include acknowledgment of the partnership with the Sherman County Community Foundation in all correspondence, advertising, and publicity of the event and project.**

### Participation

All tax-exempt non-profit organizations with agent of record domiciled within Sherman County, Nebraska shall be eligible for participation in this program as long as the fund-raising event is deemed to be qualified by the Foundation. Participation in this program will be based upon the decision of the Anytime Give Program committee of the Sherman County Community Foundation and approved by the Foundation's Board of Directors. All decisions of the Foundation's Board of Directors are final. **A tax-exempt non-profit organization is eligible for funding under this program only once per calendar year.**
